REPLACEMENT AMENDMENT AND RESPONSE

Commissioner for Patents

Sir:

In reply to the non-final Office Action mailed on 5/28/2008, to which a response was filed on 8/25/2008, the Applicants submit this replacement amendment, which is filed to place the application in condition for allowance and to simplify issues for any appeal. Please replace the response filed on 8/25/2008 with this response. Please amend the above-identified application as described below and consider the following remarks. **All amendments and remarks herein are made without prejudice.**

Amendments to the Claims are reflected in the listing of claims which begin on page 2 of this paper.

Amendment of the Specification begins on page 4 of this paper. A marked up substitute specification begins on page 5, and a clean version of the substitute specification begins on page 14.

Remarks/Arguments begin on page 22 of this paper.
